

## **Warehouseman**

Coast 2000 is the leading and largest Third Party Logistics export service provider to the Pulp and Paper, Lumber, and International Steamship Line (marine container) industries. Our customer base includes the major international forest product companies, all container steamship lines calling Port Metro Vancouver, and a number of smaller, non-forest product customers.

Our facility has a 30 acre container storage yard adjacent to our 260,000 square foot export stuffing facility and is strategically positioned equidistant from all deep water container terminals in Port Metro Vancouver.

### **Position Summary**

Warehousemen play a key role in the shipping and receiving of import and/or export cargo at our facilities.

### **Required Skills:**

- Operating Forklift (up to 75% of your daily tasks)
- Loading & unloading containers/trailers/flat-decks with pulp/lumber/OSB
- Follow Safe Work Procedures/Practices & Safe Stacking Procedures
- Complete accurate paperwork for Shipping & Receiving
- Keep a clean and safe working environment and optimize warehouse space utilization
- Excellent communication skills – both written and verbal
- Strong interpersonal skills – ability to cooperate with Supervisors and Co-Workers
- Provide a great level of attention to detail and focus on the given tasks while under pressure
- Comply with safe operating procedures & practices of all equipment
- A team player that is comfortable working with others to maximize productivity and efficiency and values safety for himself and others at all times in an environment of a Safety Driven operation

### **Experience...considered an asset:**

- Worked in the intermodal/logistics field in a heavy industry setting
- Worked effectively in a dynamic, fast paced environment
- Play an integral part of a very cohesive team

### **Education:**

- Forklift certification preferred (in house training will be provided)

Coast 2000 Terminals Ltd. offers a very competitive compensation and benefits package in this unionized shift work position, including: training, medical, dental and pension plan, and free parking. If you're ready to be part of a growing enterprise and play a significant role in the movement of terminal cargo, then we'd like to hear from you.
